

How To Have An Awesome Experience

Welcome To A School! We are so grateful you are here. To get the best experience from A School, here are important things to know.

1. A School Membership Website

This super-secret site is where ALL the A School Workshop recordings, LIVE Chat recordings, and other important files live and where we urge you to create space to absorb.

Please DO NOT under any circumstances share your login info with anyone. This is not Netflix lol.
